Re: May Vacancy List

In accordance with the Master Agreement between the Akron Board of Education and the Akron Education Association, known teaching vacancies as of May 15, 2011 are to be posted. The attached list includes only those resignations, retirements and Leaves of Absence which have been officially presented for Board Action by May 9, 2011.

These vacancies may include the positions of teachers who have taken a Leave of Absence during this school year. It is possible for teachers on leave to decide to return to the classroom before the close of school. If this occurred, no vacancy would exist.

**PLEASE NOTE THAT THESE VACANCIES ARE TENTATIVE AT THIS TIME.**  
**SUBSEQUENT BUILDING REORGANIZATION MAY IMPACT THESE VACANCIES.**

It should be understood that the designated vacancies are available only to full-time contract teachers in the following order of priorities:

- Reassignments due to building closures and changes in vertical organization shall be completed before any other transfers or reassignments are made.
- Member-initiated requests for transfer and transfers due to changes in student enrollment and/or program termination.
- Principal-initiated transfer requests.

Any teachers wishing to bid on the vacancies listed may do so by filing a TEACHER-INITIATED REQUEST FOR TRANSFER (Form 3.11A – green) by June 1, 2011.

Please note the following special conditions for some vacancies:

\* These positions carry a compensation rate above that of a classroom teacher; therefore they are subject to the procedures outlined in Section 3.12, “Position Vacancy.”

\*\* These buildings participate in the Project GRAD program. Teachers transferring into any of these schools should know in advance that this is a building-wide program which teachers are expected to implement.
