Akron Public Schools welcomes families living in the city of Akron or moving into the district to enroll students at any time during the year in their neighborhood school.

During the school year, families may register at their neighborhood school or at the district’s central registration office during normal business hours.

**Central Registration Office**  
**APS Administration Building**  
70 N. Broadway  
Akron, OH 44308

### Open enrollment

Families wishing to enroll their student in a school outside of their neighborhood or in one of our specialty programs should contact the open enrollment office to determine eligibility. Students currently attending APS would need to apply during the month of November for the following school year.

Specialty programs include:

- Akron School for the Arts and Miller South School for the Visual and Performing Arts*
- College and career education programs
- International Baccalaureate program
- Pre-engineering
- STEM High School and Middle School*
- Other programs outside of your home school

* It is highly recommended to open enroll during APS’s designated open enrollment period in November of the prior year to meet application deadlines and schedule auditions.
Documents needed to enroll:
- Child’s official birth certificate
- Child’s immunization record
- Two proof-of-residency documents for the parent/guardian*
- Photo ID for parent/guardian
- Custody papers (If there has been a divorce from a birth parent or a custody issue of any kind)
- IEP and ETR (if applicable)

* These documents include any “official” mail coming to the parent/guardian’s address that includes their name, address and a current date. “Junk” mail will not be accepted. Acceptable proof of residency may include, but is not limited to: bank statements, charge account statements, court documents, lease agreements, local/state/federal documents, pay stubs, personal bills, police reports, postal change of address, sales agreements, utility bills and voter registration cards.
